Songwriters' Showcase – Artist's Registration Agreement

Thanks for agreeing to perform and record at our Songwriters' Showcase! We hope you find the experience refreshing and beneficial.

By registering, you agree to all of the following. **If you don't agree, don't register.**

- You will **arrive at Backthird Audio by 6:45pm** on the night of your showcase. All showcases start at 7pm. Songwriters not present by 15 minutes before the showcase start time may forfeit their chance to participate (and lose the registration fee!).
- You will listen attentively to other songwriters' performances and **provide feedback on every song** using a very simple form we provide you when you arrive. What makes this event special is the chance to receive helpful feedback from your fellow artists, so come excited to give as well as receive!
- You also agree to stay to the end of the performance. Again, the point is to provide feedback to other songwriters – if you can't **stay until 9pm**, you probably shouldn't register this month.
- You grant Backthird Audio permission to **record your performance** and to **duplicate and sell the recording on CD** on the night of the showcase only. After the performance, recordings of your songs are yours to sell, duplicate and distribute in any way you wish. You also permit Backthird Audio permission to stream the recordings from our website for the purpose of promoting future showcases. As the songwriter, you retain all other rights to your songs.

That's it! You can register online at www.backthirdsongwriters.com, or call the studio at 630.264.2366. See you at the Showcase!
